

Megan McFarland: Elevating Aesthetic Care at Wells Skin Care

Accredited Aesthetic Nurse Practitioner and Injector Combines Expertise with Passion for Patient-Centered Care

New York City, New York May 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Wells Skin Care is proud to highlight the exceptional contributions of Megan McFarland, an accredited Aesthetic Nurse Practitioner and injector, whose dedication to individualized patient care is transforming the aesthetic landscape in Kentucky. With extensive experience in women's and men's health, plastic surgery, and non-surgical elective

procedures, Megan is committed to helping her patients achieve their desired aesthetic goals in a safe and comfortable environment.

Megan's journey in the aesthetic field is grounded in her robust educational background, holding a Master of Science in Nursing from the University of Kentucky. Her expertise is further enhanced by her collaboration with Dr. Sara Soni-Kalma, where she performs advanced procedures such as Genius RadioFrequency Microneedling. With her solid foundation in plastic surgery nursing, Megan also assists in the operating room, ensuring that the highest standards of care are maintained throughout the patient journey.

As an active member of the Kentucky Association of Aesthetic Providers (KAMAP) and several national organizations, including the International Society of Plastic and Aesthetic Nurses (ISPAN) and the American Academy of Nurse Practitioners (AANP), Megan remains at the forefront of the industry. Her dedication to professional development and lifelong learning allows her to stay updated on the latest techniques and innovations in aesthetic medicine, translating into exceptional results for her patients.

Megan believes in a patient-centered approach, tailoring each treatment plan to meet the unique needs and desires of her clients. "I am passionate about helping my patients look and feel their best," she shares. "My focus is on achieving naturally beautiful results through evidence-based practices." This philosophy not only enhances the aesthetic outcomes but also fosters a trusting relationship between practitioner and patient.

Her commitment to the field extends beyond her practice; as a faculty member of KAMAP, Megan is dedicated to educating and empowering fellow aesthetic providers. She believes in paying it forward, sharing her knowledge and expertise to elevate the standards of care within the aesthetic community.
