WINTERSFALL

THE LEGEND OF SANGARETH

M. G. CLAYBROOK

BOOK FOUR OF THE ELDERWOOD CHRONICLES

Chicago, Illinois May 23, 2025 ([IssueWire.com](https://www.issuewire.com)) - Author and illustrator M.G. Claybrook has announced the release of *Wintersfall: The Legend of Sangareth*, the much-anticipated fourth installment of the *Elderwood Chronicles*, scheduled to hit shelves on Saturday, August 30, 2025, through Versaria Publishing.

Set in the fractured squirrel kingdom of Hesperia, *Wintersfall* follows Milowe, a young squirrel navigating the clash between institutional dogma and suppressed truths. As a mysterious disease known as the Wither spreads and long-held beliefs unravel, Milowe embarks on a journey through myth, memory, and prophecy, seeking answers to questions the world around him fears to ask.

Claybrook weaves a spellbinding tale with poetic prose, sharp wit, and a deeply immersive world. Drawing comparisons to *Watership Down*, *Redwall*, and *The Book of the Dun Cow*, this novel explores the legacy of belief, the burden of history, and the cost of uncovering the truth.

Wintersfall will be available in hardcover, paperback, and eBook formats. Pre-orders are now open through major online retailers and at <https://www.mgclaybrook.com/>
