

National Pet Wedding Week is 2nd Week of June

Founder: American Activist Greshun De Bouse #petweddingweek

Los Angeles, California May 27, 2025 ([Issuewire.com](http://www.Issuewire.com)) - It is almost that time again-time for National Pet Wedding Week™ that is. Celebrated annually in the U.S. the 2nd week of June, National Pet Wedding Week™ (also referred to as Pet Wedding Week™)

is an awareness holiday like no other founded/created by American Activist Greshun De Bouse in 2019. National Pet Wedding Week™ is one of De Bouse's many awareness holidays that has gained massive traction, found in her book 'De Bouse Holidays'. Activist Greshun De Bouse established

National Pet Wedding Week™ to promote love and nuptials between two pets who deserve to be happily and suitably bred, partnered, and wed like humans, as well as to highlight the benefits for both pets and owners-especially those considering breeding and raising the offspring.

In 2025, National Pet Wedding Week™ will be celebrated the second week of June from June 9-15. Be it dogs, cats, birds, horses, or what have you (though pet parents mainly have been of dogs in the past five years), pets need love and companionship like we all do. National Pet Wedding Week™ founder Greshun De Bouse says "Suitable breeding is important. Pet daughters and sons need suitable partners like humans, and pet owners can rest easier knowing their pet children are with compatible mates."

National Pet Wedding Week™ brings awareness to benefits of pet nuptials and suitable breeding or partnering on the community, environment, and world. Pet nuptials can even be commemorated with a certificate of union recognition by National Pet Wedding Week™ and the National Pet Association of Ceremonies™ (NPAC™)-the only governing and certifying body of pet ceremony officiants in the U.S. that recognizes pet ceremonies performed by NPAC-certified officiants.

Pet parents may schedule pet nuptials, and send photos of nuptials via the official National Pet Wedding Week™ [website](#) , and give their pet children the National Pet Wedding Week™ nuptials they deserve.
