

Nexlar Security Assists School Districts and Law Enforcement in Accessing Federal SVPP Grant to Strengthen School Safety

Nexlar provides full grant application and security upgrade support to help schools access up to \$500,000 in federal safety funding.

Houston, Texas May 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - Nexlar Security, a Texas-based provider of integrated security solutions, announces its initiative to assist school districts, law enforcement agencies, and local governments in applying for federal funding through the **School Violence Prevention Program (SVPP)**. The U.S. Department of Justice's SVPP provides up to **\$500,000 in federal grants** to enhance security measures in **K–12** schools.

Established under the **STOP School Violence Act of 2018**, SVPP supports schools in implementing modern safety technologies such as **AI-powered surveillance, emergency alert systems, and access control infrastructure**. Nexlar is working directly with public entities to **streamline the grant application process** and ensure that approved security upgrades are deployed efficiently.

“The safety of our children is non-negotiable,” said **Rodrigo Lima**, Security Consultant of Nexlar Security. “Through the SVPP, we are helping school districts and local law enforcement secure vital funding to protect students and staff. From consultation and grant preparation to system installation, our team is committed to delivering complete security solutions.”

The SVPP grant program offers **up to 75% in matching funds** over a 36-month period and supports a variety of safety enhancements, including:

- **Metal detectors, locks, lighting, and access control**

- Real-time emergency alert systems and notification technologies
- Training for law enforcement officers and school personnel
- Other school safety improvements

To help applicants navigate the process, Nexlar offers **comprehensive support services**, including **security assessments**, **proposal development**, and **technology installation** in full compliance with SVPP guidelines. More details about Nexlar's SVPP support services can be found at:

<https://www.nexlar.com/svpp-school-safety-grant-support/>

With the **2025 SVPP funding cycle opening soon**, Nexlar urges eligible applicants such as **Independent School Districts (ISDs)**, **police departments**, and **municipal authorities** to begin preparing now. Nexlar's experienced consultants are available to provide step-by-step guidance throughout the submission process.
