Number 10 by Hydur opens its doors in Jumeirah, Dubai, setting a new benchmark for Neo-Khaleeji dining. Discover this groundbreaking restaurant concept, now a must-visit spot for Dubai foodies and cultural explorers.

Dubai, United Arab Emirates May 26, 2025 ([Issuewire.com](https://www.issuewire.com)) - In a city known for its extravagant culinary scene, Number 10 by Hydur emerges as a visionary new restaurant concept, redefining what it means to dine in the UAE. Officially launched in Jumeirah, one of Dubai's most iconic neighborhoods, this Neo-Khaleeji gastronomy lounge introduces a refined blend of Gulf heritage and global sophistication — all wrapped in stunning architectural design and breathtaking views of Burj Al Arab and Burj Khalifa.

Number 10 by Hydur is more than a restaurant — it's a cultural celebration on a plate. A tribute to Gulf flavors told through a modern lens, the venue captures the soul of the region while appealing to Dubai's global, diverse population.

The Vision Behind Number 10 by Hydur: Where Heritage Meets Innovation

Conceived by visionary founder Hyder, Number 10 by Hydur Dubai was born from a desire to redefine Neo-Khaleeji cuisine for a new generation of food lovers. It celebrates the UAE's rich culinary legacy by

elevating traditional dishes into contemporary expressions, paired with world-class service and ambiance.

“Dubai has always been a city that balances heritage and bold innovation, with Number 10, we created a space that honours our cultural roots while embracing modernity. It’s a place where every detail — from flavour to design — tells a story,” says Hyder, Founder of Number 10 Lounge
