

Petra Gordon, LPN, Recognized for Excellence in Dementia and Alzheimer's Care

Driven Army Reservist Brings Compassion and Dedication to the Sheboygan Healthcare Community

New York City, New York May 19, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Petra Gordon, LPN, a Licensed Practical Nurse based in Sheboygan, Wisconsin, is being recognized for her outstanding contributions in the field of healthcare, with a focus on dementia and Alzheimer's care. With a steadfast commitment to improving the lives of patients and families facing memory-related conditions, Gordon exemplifies professionalism and empathy in every aspect of her work.

Gordon's journey into nursing has been fueled by an inner drive she credits as the foundation of her success. "It's the drive to keep going, keep learning, and keep caring that keeps me focused. I am fulfilling the path God has put me on," she says. That drive is evident in her hands-on approach with patients and her leadership in navigating the complexities of memory care, an area that demands both emotional resilience and clinical expertise.

In addition to her work in civilian healthcare, Gordon proudly serves in the U.S. Army Reserves, bringing discipline, structure, and a service mindset to her nursing role. This dual commitment highlights her dedication not only to her country but also to the individuals and families who rely on her care in Sheboygan and the surrounding communities.

As she continues to build her career, Petra Gordon remains focused on making a meaningful impact in the lives of those coping with Alzheimer's and dementia. Her unwavering passion, combined with her military service and deep-rooted compassion, makes her a respected figure in both the healthcare and veteran communities.
