

PlacementIndia Enhances Search Features: Now Find Recruitment Agencies by Industry

PlacementIndia has introduced a new search feature that lets users find recruitment agencies by industry. This upgrade benefits employers looking for industry-specific hiring partners and job seekers targeting agencies that cater to their profession.

Delhi, India May 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - PlacementIndia.com, one of India's leading online recruitment marketplaces, is excited to announce the launch of its new search feature, allowing users to find recruitment agencies specifically by industry. This major update aims to streamline hiring and job search processes, catering to both employers and job seekers looking for industry-specialized recruitment support.

The new feature is now live across popular locations including Delhi ([PlacementIndia Delhi Recruitment Agencies](#)), Mumbai, Bangalore, and more. With this enhancement, users can now filter recruitment agencies based on key industries such as IT, Healthcare, Manufacturing, Retail, BFSI, Education, and many others — all with just a few clicks.

Key Benefits of the New Search by Industry Feature:

- **Targeted Hiring Solutions:** Employers can connect with agencies that specialize in their specific industry, ensuring better candidate matches.
- **Faster Job Search for Job Seekers:** Professionals can now reach out to recruitment agencies that focus on their career domain, increasing job search efficiency.

- **Simplified Search Experience:** The platform's refined search filters help save time and deliver more relevant results.
- **Enhanced Agency Visibility:** Recruitment consultancies can highlight their industry expertise, attracting more targeted clients and candidates.

Speaking on the launch, Mr. S.K. Gupta, Senior Consultant at PlacementIndia, said, "This new feature is part of our commitment to simplifying recruitment in India. By enabling searches by industry, we empower both employers and job seekers to find the best match faster and more effectively."

PlacementIndia continues to evolve as a bridge between India's top recruitment agencies and the country's growing talent pool. The new feature solidifies its position as a trusted partner in the hiring ecosystem.
