Alpharetta, Georgia May 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Post Medical, Inc. is excited to announce a new distribution partnership with SEVA Technical, aimed at improving access to our high-quality Sharps Cabinets and Containers for government agencies. This collaboration is set to streamline the procurement process for GSA members and ensure critical safety products are readily available when they are needed most.

SEVA Technical is a renowned supplier within the government sector, specializing in safety and industrial products tailored to military and government organizations. Through platforms such as GSA Advantage! and DLA's FedMall, SEVA Technical provides a diverse range of products that meet the unique requirements of its clients. With this new partnership, SEVA Technical will maintain a substantial inventory of Post Medical's sharps disposal solutions, enhancing its ability to meet the immediate needs of GSA customers.

"Post Medical has a long-standing reputation for producing the industry's leading sharps containers and cabinets, all manufactured in the USA," said Tony Lair, President of Post Medical. "By partnering with SEVA Technical, we are ensuring that GSA members have timely access to our products, reinforcing our commitment to safety and compliance in healthcare settings."

Post Medical's commitment to quality and innovation has positioned the company as a leader in medical sharps management solutions. All products are designed and manufactured in the USA, allowing for rapid development and compliance with GSA sourcing requirements. This domestic focus also enables Post Medical to meet the specialized performance demands of military, government, and municipal end users, ensuring that healthcare professionals can maintain secure and compliant environments.
