

Pravrdh Launches New White-Label PPC Services for Growing Agencies

Google-certified strategies, 9.2x ROAS, and full-service PPC solutions help agencies scale without hiring in-house teams.

Aguanga, California May 16, 2025 ([IssueWire.com](https://www.issuewire.com)) - **Pravrdh**, a performance-focused white-label PPC agency, announces the launch of its specialized services tailored for marketing agencies, SEO companies, and digital consultants across the U.S. This new offering empowers agencies to deliver expertly managed PPC campaigns—under their own brand—without building internal teams.

Pravrdh provides a full stack of advertising services, including Google Ads, Microsoft Ads, display and social ads, and advanced PPC audits. Each campaign is backed by certified experts and supported with real-time reporting, dedicated account managers, and conversion-focused strategies.

“We’re here to help agencies grow faster and more profitably,” said [Spokesperson Name], Founder of Pravrdh. “Our white-label model eliminates the heavy lifting, so agencies can focus on what they do best—client relationships and growth.”

With proven results, including generating **\$685,000 in revenue with a 9.2x ROAS** for a U.S.-based eCommerce brand, Pravrdh’s solutions are ideal for any agency looking to expand paid ad offerings.

Key Offerings:

- Google & Microsoft Ads Management
- Display, Shopping & Retargeting Ads
- Social Media Paid Campaigns (Facebook, Instagram, LinkedIn)
- Custom Reporting & 24/7 Dashboards
- White-Labeled Strategy & Communication
