

Relcko and CEO Dr. Satish Kumar Seena Honored at India-Russia Economic Summit 2025

Moscow, Russia May 18, 2025 ([Issuewire.com](https://www.issuewire.com)) - Moscow & Saint Petersburg, Russia – In a landmark recognition of innovation and leadership in blockchain technology, **Relcko**, a pioneering blockchain-based company, and its visionary CEO, **Dr. Satish Kumar Seena**, were honoured at the prestigious **India-Russia Economic Summit 2025**. The event, held in **Moscow & Saint Petersburg**, coincided with **Russia's Victory Day Parade** and the **BRICS Summit**, where global leaders gathered to celebrate economic collaboration and technological advancements.

Dr. Seena was bestowed with the **Global Leader Award** for his outstanding contributions to blockchain innovation and fostering Indo-Russian economic ties. The summit, supported by high-ranking dignitaries, highlighted the growing importance of decentralised technologies in shaping the future of global finance and trade.

A Gathering of Global Leaders

The India-Russia Economic Summit 2025 was graced by several distinguished leaders, including:

- **Mr. Anton Kobyakov**, Chief Adviser to the Russian President and Executive Secretary of the Eastern Economic Forum (EEF) Organising Committee
- **Mr. Denis Manturov**, Russia's First Deputy Prime Minister
- **H.E. Mr. Valeri Khodzhaev**, Consul General of the Russian Federation in India

Their presence underscored the strategic importance of the event in strengthening economic and technological cooperation between India and Russia, particularly in the fields of **blockchain, fintech, and digital transformation**.

Relcko: A Blockchain Powerhouse

Under the leadership of **Dr. Satish Kumar Seena**, Relcko has emerged as a trailblazer in blockchain solutions, offering secure, transparent, and decentralised financial ecosystems. The company's cutting-edge innovations have positioned it as a key player in the global blockchain revolution, facilitating seamless cross-border transactions and fostering trust in digital economies.

The **Global Leader Award** acknowledges Dr. Seena's relentless pursuit of excellence and his role in bridging technological advancements between India and Russia. His visionary approach has not only propelled Relcko to new heights but has also contributed significantly to the broader adoption of blockchain technology in emerging markets.

Celebrating Russia's Victory Day & BRICS Collaboration

The summit's timing during **Russia's Victory Day Parade** added a historic significance, symbolising resilience, unity, and progress. As part of the **BRICS Summit**, the event reinforced the commitment of member nations—**Brazil, Russia, India, China, and South Africa**—to foster economic growth through technological innovation and strategic partnerships.

A Future of Blockchain-Driven Growth

The recognition of **Relcko and Dr. Satish Kumar Seena** at the India-Russia Economic Summit 2025 marks a pivotal moment in the evolution of blockchain technology. As nations increasingly embrace digital economies, companies like Relcko are at the forefront, driving change and creating a more inclusive financial future.

With strong support from global leaders and a shared vision for technological advancement, **Relcko is poised to lead the next wave of blockchain innovation**, further solidifying its role as a key player in the Indo-Russian economic corridor and beyond.

About Relcko
