

San Francisco Mobile Notary Streamlines Services with Cutting-Edge eJournal from Jurat Inc.

San Francisco, California May 11, 2025 (Issuewire.com) - Matt Miller Mobile Notary, a trusted name in mobile notarization services across the bay area, is proud to announce its adoption of the Jurat Inc. electronic journal (eJournal) platform. This new technology simplifies and modernizes the notarization process, making it faster, more secure, and fully compliant with California notary laws.

The Jurat Inc. eJournal enables notaries to capture and securely store entries digitally, improving accuracy while reducing paper clutter and the risk of lost records. "Using Jurat's eJournal has transformed how I serve clients," said Matt Miller, owner of Matt Miller Mobile Notary. "It allows me to complete notarizations with greater confidence and professionalism—especially when handling complex transactions like estate plan and loan signings."

Matt Miller Mobile Notary offers a full suite of services including general notarizations, apostille processing, and ink fingerprinting. Miller holds certifications as a **National Notary Association Certified Loan Signing Agent, Certified Trust Delivery Agent, and Apostille Agent**, serving individuals and businesses throughout the San Francisco Bay Area.

As the notary industry evolves, Matt Miller Mobile Notary continues to lead with innovation and customer-first service. Clients can schedule appointments easily online at www.mmmobilenotary.net or by calling (415) 443-7343.
