

Sharron White, BSN, RN, CCM: Championing Recovery Through Expert Case Management

Empowering Accident Survivors in Greater Detroit with Compassionate Care, Advocacy, and Over 25 Years of Experience at Premier Case Management

New York City, New York May 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - Premier Case Management (PCM), founded and directed by Sharron White, BSN, RN, CCM, has become a beacon of hope for injured patients and their families across the greater Detroit region. With over 25 years of experience advocating for the needs of accident survivors, the PCM team is dedicated to enhancing the quality of life for their clients, offering a comprehensive range of managed solutions that simplify care coordination and insurance navigation.

At PCM, the focus is on alleviating the burdens faced by those recovering from accidents, injuries, and age-related challenges. Sharron and her team understand that healing is a multifaceted process, often complicated by the logistics of medical care and insurance claims. By providing tailored support services, PCM allows families to concentrate on what truly matters: healing and recovery.

PCM offers an array of support services and managed care solutions to meet your unique needs. We serve accident victims, seniors, TBI patients, spinal injury patients, individuals, families, and more. PCM takes the hassle and headache out of locating providers, managing schedules, finding contractors, and dealing with insurance so you and your family can focus on healing and recovery,” states the PCM website.

Sharron White, a proud alumna of Tuskegee University, holds a Bachelor of Science in Nursing Degree and is an accredited Nurse Certified Case Manager (CCM). Her professional affiliations with the Case Management Society of America and the American Case Management Association reflect her commitment to maintaining the highest standards of care in the field.

Sharron attributes her success not only to her extensive expertise but also to her profound compassion for others. Her unwavering faith serves as a guiding force, inspiring her to serve with integrity, love, empathy, and purpose every day. “I am passionate about making a difference in the lives of my clients and their families. It’s not just about managing care; it’s about providing quality service and helping them reclaim their lives,” says Sharron.

With PCM’s comprehensive approach to case management, clients in Farmington Hills and surrounding counties can expect personalized care plans designed to meet their specific needs. Sharron White and her dedicated team are committed to ensuring that everyone they serve receives the respect and support they deserve on their path to recovery.
