

## **Shawn Blankenship, FNP, Launches New Personal Website to Share His Mission and Journey**

**New Platform Offers an Inside Look at the Charleston-Based Medical Director's Story, Values, and Vision for Holistic Healthcare**

**Charleston, West Virginia May 12, 2025 ([IssueWire.com](https://www.issuewire.com))** - Shawn Blankenship, FNP, the founder and Medical Director of *Holistic Medical Services and Counseling*, is excited to announce the launch of his new personal website: <https://www.shawnblankenshipfamilynurse.com/>. The site offers visitors an authentic look at Blankenship's professional journey, his philosophy of care, and his commitment to patient-centered, holistic healthcare.

The new website serves as a central hub where individuals can learn about Blankenship's background, including his path from serving in the U.S. Navy to becoming a leader in the healthcare community of Charleston, West Virginia. It also highlights his work integrating medical and mental health services under one roof, a model he believes is essential to treating patients as whole people, not just a list of symptoms.

**"I wanted to create a space where people could really understand not just what I do, but why I do it,"** says Blankenship. **"This website is a reflection of the values I live by—service, trust, and treating every person with dignity."**

Visitors to the site will find a wide range of resources, including his full professional biography, insights into his practice philosophy, community initiatives, recent press features, and updates on future projects. Whether you are a patient, a healthcare professional, or someone interested in a new model of care, the site offers meaningful, relatable content.

Beyond clinical care, the site also highlights Blankenship's personal passions, including his commitment to supporting battered women's shelters, his real estate investment work, and his emphasis on family life with his wife Julie and their daughter Clara.

The launch of the new site marks an important milestone for Blankenship as he continues to expand his outreach, both within healthcare and in the broader community. It also aligns with his mission to inspire a deeper, more compassionate approach to leadership and patient care.

**"This is not just a website about healthcare,"** Blankenship adds. **"It's about building something meaningful, staying grounded, and leading with purpose."**
