

Shree Venkatesh Lawyers & Associates Launches Business Intellectual Property Protection

Kolkata-based law firm Shree Venkatesh Lawyers & Associates emerges as a key player in trademark registration in Kolkata.

kolkata, West bengal Jun 11, 2025 ([IssueWire.com](https://www.issuewire.com)) - As ideas and innovation become the cornerstone of modern business, intellectual property (IP) protection is more critical than ever. Shree Venkatesh Lawyers & Associates was quick to fulfill this demand. Shree Venkatesh Lawyers & Associates is a leading law firm headquartered in Kolkata, which has quickly established itself as a leading name in intellectual property legal services across India.

Shree Venkatesh Lawyers & Associates is led by Shree Venkatesh, an experienced legal expert in Kolkata and offers a wide range of intellectual property services, including trademark and copyright registration, patent filing, and industrial design protection. For many years the firm has earned a reputation for providing efficient, reliable, and tailored legal solutions to the unique needs of clients across industries.

[Trademark Registration in Kolkata](#) is one of the firm's premier legal services. The service includes conducting preliminary searches and filing applications to respond to objections and monitoring infringements. Shree Venkatesh Lawyers & Associates manages the entire process with precision.

"A trademark is more than just a signage. It's a reflection of a business's reputation, consumer trust, and market specialty," said a firm spokesperson. "Our goal is to shorten the legal journey so our clients can focus on building their brands."

Shree Venkatesh Lawyers & Associates is also protecting the intellectual rights of authors, musicians, visual artists, and digital creators. Its services include copyright registration for literary works, music, and visual art, as well as legal recourse in cases of unauthorized use or piracy.

In response to the rise of online content misuse, the firm also offers digital takedown notices and enforcement actions, particularly on social media and streaming platforms.

For inventors and technology-driven enterprises, the Shree Venkatesh Lawyers & Associates provides end-to-end patent services, "We will search, perform an application drafting, and regulatory filings to ensure your intellectual properties are protected," said the firm representative. Its strategic and technically sound approach ensures that innovations are not only protected but positioned for long-term legal security.
