

Silvia Rivas Brings Critical Care Expertise to Legal Nurse Consulting in Orlando

Registered Nurse Combines Clinical Insight with Legal Acumen to Support Medical-Legal Cases

New York City, New York May 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - Silvia Rivas, a highly skilled Legal Nurse Consultant based in Orlando, Florida, is making a meaningful impact at the intersection of healthcare and law. With a strong foundation in critical care nursing and a deep understanding of medical standards, Silvia provides expert consultation to attorneys navigating complex medical-legal cases.

Drawing from years of bedside experience, she translates clinical details into clear, actionable insights for legal teams.

A graduate of Valencia College (AS in Nursing, 2008) and The University of Texas at Arlington (BSN, 2013), Silvia has built a career grounded in both academic excellence and practical experience. She currently specializes in critical care and works as a consultant at East Orlando's Legal Nurse, where her background in high-pressure clinical environments informs her meticulous case reviews and expert assessments. Her role bridges two demanding fields—healthcare and law—ensuring accurate analysis and support in litigation, malpractice, and personal injury cases.

Silvia is a proud member of the American Association of Legal Nurse Consultants, a professional organization that supports continuing education and high standards in the field. She attributes her success to a combination of passion, perseverance, and the invaluable guidance of mentors such as Lori Magyar (ORMC), Joan Magnusson (Legal Nurse Consultant), and her friend and fellow nurse Sandra Krug. Their mentorship, combined with Silvia's dedication, has shaped her into a trusted expert in medical-legal consultation.

Driven by a genuine passion for helping others and a sharp attention to detail, Silvia Rivas continues to grow her impact in the legal nursing community. Her unique blend of clinical knowledge and legal insight makes her a vital asset in ensuring that justice is informed by accurate and expert medical understanding.
