

Skyelar Nguyen: An Expert in Pediatric Cardiovascular Care in Rochester, Minnesota

Dedicated Nurse Champions Patient Care and Quality of Life

New York City, New York May 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Skyelar Nguyen, a distinguished nurse at the Mayo Clinic Hospital in Rochester, Minnesota, is making waves in the field of pediatric cardiovascular nursing. With a Bachelor of Science in Nursing from West Coast University, graduated in 2023, Skyelar combines a strong educational foundation with a deep-seated passion for enhancing the

lives of her patients.

As a pediatric cardiovascular nurse, Skyelar specializes in managing the care of children with congenital heart defects and those awaiting heart transplants. Her commitment to her specialty is evident through her unwavering focus on patient safety, communication, and trust. Skyelar believes that building a strong rapport with her patients and their families is essential to effective care, ensuring that each child receives not only medical treatment but also emotional support throughout their healthcare journey.

Skyelar attributes her success to her lifelong passion for medicine. "Going to nursing school was the best decision of my life," she says. "I knew I wanted to help people, and being a nurse allows me to do that every day." Her journey began during the challenging times of the COVID-19 pandemic, where she faced unique obstacles as a nursing student. "Finding clinical rotation opportunities was tough, but it taught me that if you can't find an opportunity, you make one," she reflects. Utilizing her mentors and every resource available, Skyelar developed a confidence that propels her career forward, reinforcing her belief that determination and resourcefulness are key to success.

In addition to her clinical work, Skyelar is an active member of the Sigma Theta Tau International Honor Society of Nursing and the American Association of Critical-Care Nurses. These affiliations reflect her commitment to professional development and her dedication to staying at the forefront of advancements in nursing care.

Skyelar Nguyen's contributions to pediatric cardiovascular nursing underscore her role as a vital asset to the healthcare community in Rochester. Her dedication to improving patient outcomes and quality of life exemplifies the values that define the nursing profession. As she continues her journey in nursing, Skyelar remains an inspiring figure for both her patients and fellow healthcare professionals.
