High-Energy Earth, Wind & Fire Tribute Joins Souled Out’s Acclaimed Tribute Series

Lafayette, Louisiana May 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - Souled Out Entertainment, a premier Louisiana-based entertainment collective, proudly announces “THE ELEMENTS: The Music of Earth, Wind & Fire,” the newest addition to its Tribute Series. Performed by the renowned Cast of Souled Out [Entertainment], this dynamic production pays homage to the legendary funk and R&B band Earth, Wind & Fire with unparalleled energy, outstanding musicianship, and powerhouse vocals. Following the success of 2024’s “An Evening with Souled Out: The Music of Silk Sonic,” which earned rave reviews across the Gulf South, Souled Out is once again set to captivate audiences with an unforgettable live music experience.

“THE ELEMENTS: The Music of Earth, Wind & Fire” transforms the Souled Out ensemble into a vibrant Earth, Wind & Fire tribute band, complete with a full horn section, driving rhythm section, and a chorus of talented vocalists. From the first horn blast to the final drumbeat, the show recreates Earth, Wind & Fire’s iconic sound and showmanship on stage. Attendees can expect to be transported to the golden era of 1970s funk and soul — grooving to classic hits like “September,” “Shining Star,” and “Let’s Groove” — all delivered with state-of-the-art production, choreography, and the signature “retro meets modern” flair that Souled Out Entertainment is known for.

Key highlights of “THE ELEMENTS” tribute show include:

- Custom Arrangements: A 10+ piece live band featuring horns, guitars, keyboards, percussion, and more, performing faithful arrangements of Earth, Wind & Fire’s greatest hits.

- **Powerhouse Performances:** Multi-part vocal harmonies and dynamic lead vocals that capture the spirit of EWF's Maurice White and Philip Bailey, backed by high-energy dance routines.
- **Spectacular Production:** A high-octane stage presentation with vibrant 70s-inspired costumes, choreographed moves, and immersive lighting & visuals, creating an all-inclusive dance party atmosphere.

Designed to electrify festivals, corporate functions, and live music venues alike, "THE ELEMENTS" offers a versatile show perfect for crowds of all ages. Event organizers in Louisiana and beyond can now book this tribute act for their upcoming events, bringing a proven crowd-pleaser to their stage. No public dates have been announced yet, meaning early bookers have the opportunity to host the debut performances of this exclusive show. Souled Out Entertainment is currently opening booking dates for 2025 and beyond, ensuring that Louisiana-based venues, corporate event planners, and festival bookers can secure the Earth, Wind & Fire tribute experience for their audiences.

"We are thrilled to continue our Tribute Series with a show that celebrates the music of Earth, Wind & Fire," says Dave Mouton, founder and manager of Souled Out Entertainment. "The impact Earth, Wind & Fire has had on the musicians in our cast is undeniable! 'Let's Groove' was one of the first songs Souled Out ever tackled and decades later, it is still a staple in our live set – from the soaring vocals to the tight horn lines. We can't wait to share 'THE ELEMENTS' with audiences and get everyone dancing and singing along!"

"THE ELEMENTS: The Music of Earth, Wind & Fire" follows on the heels of Souled Out Entertainment's successful Silk Sonic tribute production, solidifying the company's reputation for delivering top-tier live tribute shows. Whether it's a large-scale festival or an intimate corporate gala, this new show promises a thrilling entertainment centerpiece that will leave guests buzzing with excitement and nostalgia. Now booking for a limited run in the upcoming season, Souled Out invites promoters and event planners to be among the first to feature this exhilarating tribute at their venue or event.
