

Static Mafia Unleashes Electrifying Fury with Debut Album "Omertà" – A 25-Track Dance / House Music Odyssey!

Experience the innovative sound of Static Mafia & Fuel your life with high-energy Dance / House music

Tampa, Florida Jun 1, 2025 ([Issuewire.com](https://www.issuewire.com)) - Prepare for a seismic shift in the electronic music landscape! Static Mafia, the enigmatic force poised to redefine Dance and House music, proudly announces the imminent release of their highly anticipated debut album, "Omertà." This monumental collection, featuring an astounding **25 tracks**, is a pulsating journey into the depths of electronic sound,

set to drop and ignite dancefloors worldwide!

"Omertà" is more than just an album; it's a declaration. Static Mafia has meticulously crafted a sonic tapestry that seamlessly blends raw energy, intricate melodies, and infectious rhythms. From the moment the needle drops (or the play button is hit!), listeners will be thrust into a world where every beat is a heartbeat and every synth line a direct shot of adrenaline.

Leading the charge are tracks that promise to become instant anthems, showcasing the diverse range of Static Mafia's artistry. Prepare to lose yourself in the defiant grooves of **"Leave Me Alone,"** ascend to new heights with the electrifying **"High-Grade,"** and confront the thrilling intensity of **"Psycho."** The ethereal yet powerful **"Angel Eyes / Sharp Horns"** offers a tantalizing duality, while **"A Moment"** provides a fleeting glimpse into sonic serenity.

But the journey doesn't stop there! "Omertà" continues its relentless assault with tracks like the introspective **"The Reason,"** the propulsive **"Run Away,"** and the unifying power of **"We Go Together."** Romantic longing meets dancefloor fervor in **"The One,"** while **"Drip"** oozes with undeniable swagger. **"Ever Need"** delivers a dose of melodic yearning, followed by the undeniable call to action in **"Tell It"** and the blissful escape of **"Paradise."**

And for those who crave even more, "Omertà" is loaded with **several Bonus Remix tracks**, promising fresh perspectives and amplified energy from leading and emerging producers!

Static Mafia has poured their very essence into "Omertà," creating an album that is both a testament to the enduring power of Dance and House music and a bold vision for its future. This isn't just music; it's a movement.

Get ready to break the silence. "Omertà" is here.

About Static Mafia

Static Mafia is an innovative Electronic House Music collective led by the multifaceted force of Joshua Digital – a visionary music producer, beat maker, and songwriter. Blending the raw power of real vocals with the cutting-edge possibilities of AI-generated artistry, Static Mafia produces and masters original music designed to electrify your world.

Infused with nostalgic elements of Mafia culture, their music resonates with intensity, loyalty, and a raw, unapologetic style. Static Mafia are more than just musicians; they're a family, pushing creative boundaries and pushing limits, with every single production.

For all of you across the world listening, following and sharing Static Mafia Music, we appreciate you so much. Consider yourself Made - Welcome to the Family.
