

Tenley Noone, MD: A Dedicated Family Physician Committed to Preventive Care in Orlando, Florida

Providing Comprehensive, Patient-Centered Services at Florida Medical Clinic, Orlando Health – Crossroads

New York City, New York May 28, 2025 ([IssueWire.com](https://www.issuewire.com)) - Florida Medical Clinic Orlando Health – Crossroads is proud to have Tenley Noone, MD, as a valued member of its team. A highly trained family physician with a strong focus on preventive medicine and patient-centered care, Dr. Noone is affiliated with Orlando Health Bayfront Hospital in St. Petersburg. She offers a wide range of services, including physical exams, joint and trigger point injections, Pap smears, skin biopsies, lesion removals, diabetic

foot exams, heart testing, and bio-identical hormone therapy.

Dr. Noone provides primary care for patients of all ages, including specialized women's care, geriatric care, and pediatric services. Her approach emphasizes the significance of lifestyle management and preventative health, rooted in her belief that all drugs are toxins with beneficial side effects. Dr. Noone is dedicated to fostering a partnership with her patients, stating, "I strongly believe the physician-patient relationship is a shared partnership in which we both have a responsibility to each other. I believe in shared decision-making. I love learning from my patients."

Her journey into medicine was shaped by a life-altering experience during her teenage years when she was involved in a serious windsurfing accident, struck by a powerboat. This incident required extensive hospitalization and medical intervention, with her father playing a vital role in her recovery. Inspired by the care she received, Dr. Noone pursued a career in medicine, motivated to understand the patient experience from the inside out.

Dr. Noone's academic background is impressive. She holds a Bachelor of Science Degree in Biology with a Minor in Chemistry and a Master's Degree in Cellular Biology from the University of Windsor in Canada. She earned her Medical Degree from Ross University School of Medicine in Dominica in 2010. Her medical training began in pediatrics at the Florida State University College of Medicine before she transitioned to family medicine at the University of Florida.

After completing her training, Dr. Noone achieved board certification in family medicine from the American Board of Family Medicine and has been an active member of the American Medical Association. Her dedication to excellence in her field has not gone unnoticed, as she has received numerous accolades, including being named Top Doctor in St. Petersburg for 2021, 2023, 2024, and 2025, along with the prestigious McIntosh Appreciation Award in 2018.

An advocate for health and wellness, Dr. Noone also has a strong background in sports medicine and is committed to fostering an active lifestyle among youth. As a mother and athlete, she founded and coaches a children's nonprofit running club, "Run Club," aimed at encouraging kids to embrace physical activity and cultivate mental resilience. In her time, she enjoys various outdoor activities, including running, snowboarding, ice hockey, and golf, as well as spending time on the water.

Dr. Tenley Noone is proud to be part of Florida Medical Clinic Orlando Health – Crossroads, where she continues to contribute to the health and wellness of the Orlando community. With her extensive training, personal experiences, and commitment to patient-centered care, Dr. Noone is poised to make a significant impact on the lives of her patients.
