

Tennessee Nurse Sarah Bellenger: A Champion of Patient Care and Innovation in Healthcare

Nurse Manager and App Developer Receive Prestigious NETTY Award for Innovation in Nursing

New York City, New York May 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Sarah Bellenger, a distinguished nurse based in Tennessee, is making waves in the healthcare industry with her commitment to enhancing patient care and her innovative contributions to nursing practice. With over 26 years of experience,

Sarah has dedicated her career to improving the lives of her patients, embodying the values of communication, safety, and trust in every interaction.

Sarah's educational background includes a Bachelor of Science in Nursing from Marquette University (1999) and a Master's in Nursing Anesthesia from Northeastern University (2011). Her extensive training and practical experience have positioned her as a leader in her field. As a Nurse Manager and Nurse Anesthetist, Sarah oversees clinical operations and ensures that the highest standards of patient care are met.

In addition to her clinical expertise, Sarah is the Founder and CEO of an innovative app designed to support nurses in their professional development. This digital solution allows nursing professionals to securely manage their credentials, making it easier for them to focus on providing excellent patient care. In recognition of her groundbreaking work, Sarah received the NETTY Award for Best Diligent Solution in 2024, highlighting her commitment to advancing the nursing profession.

Reflecting on her success, Sarah attributes much of her growth to the power of mentorship and her 20 years of service in the U.S. Army, from which she retired in 2019. The skills and teamwork she developed during her military career have been instrumental in her approach to nursing. "The Army taught me invaluable lessons about leadership and collaboration, which I apply every day in my practice," Sarah said.

In addition to her clinical and managerial roles, Sarah is an avid reader, often diving into journals such as Ambulatory Surgery, Clinical Nurse Manager, and Business Management. Her passion for continuous learning and improvement drives her to stay current with the latest trends and developments in healthcare.

Sarah Bellenger is a true asset to the nursing community in Tennessee. Her dedication to patient care, combined with her innovative spirit, sets a standard for excellence in nursing. As she continues to inspire others through her work and her app, she remains committed to changing the lives of her patients for the better.
