ISCPO Welcomes DensityUSA as Preferred Partner to Enhance Supply Chain Security

Dallas, Texas May 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - The International Supply Chain Protection Organization (ISCPO) is proud to announce *DensityUSA* as its newest preferred partner.

"They can't steal what they can't see!"

DensityUSA provides advanced security fogging systems for both transported and warehoused assets. Density's dry, dense fog repels would-be thieves in just seconds, leaving no residue from our food-grade solution. With truck/trailer-installed foggers or fixed location fogging units, DensityUSA brings the widest array of fogging solutions to bear against criminals.

This collaboration strengthens ISCPO's ability to offer innovative solutions and insights to its diverse membership base, highlighting innovative companies like *DensityUSA's Security Fogging Systems*, which align seamlessly with ISCPO's mission to unite security-focused professionals for collaboration and information sharing.

"On behalf of the ISCPO, I am thrilled to welcome DensityUSA to our Preferred Partner Program," said Byron Smith, ISCPO Vice-Chairman. "DensityUSA brings a proven history of delivering innovative, integrated solutions tailored to the unique challenges of the supply chain industry. Their expertise aligns perfectly with our mission to promote security and best practices across the global supply chain. We look forward to the valuable contributions DensityUSA will make to our members and the supply chain security community."

Together, ISCPO and DensityUSA will explore innovative ways to enhance supply chain security, improve operational efficiency, and address the evolving challenges of global supply chain networks. For more information on DensityUSA, visit www.densityusa.com
