Top Research Minds to Meet in Singapore at WCMDRSE-2025 – Now on Conference Alerts

Leading global researchers will gather in Singapore on 26th June 2025 for WCMDRSE-2025, now listed on Conference Alerts.

Singapore, Singapore May 8, 2025 (<u>Issuewire.com</u>) - World Conference on Multidisciplinary Research Studies and Education (WCMDRSE-2025) is scheduled to be held on 26th June 2025 in Singapore, and is now officially listed on Conference Alerts, one of the leading platforms for academic event discovery.

Organized by the **Academics Conference Network (ACN)**, WCMDRSE-2025 aims to bring together top researchers, educators, and scholars from across disciplines to share innovative ideas, present high-impact research, and foster global academic collaboration. The event is designed to serve as a premier platform for multidisciplinary dialogue, networking, and professional development.

Attendees will benefit from keynote speeches, peer-reviewed paper presentations, interactive sessions, and opportunities to connect with leading minds in education, science, engineering, management, and more. This international conference encourages both theoretical and applied research and is ideal for those looking to stay ahead in a rapidly evolving academic landscape.
