

Turkish Agency Receives Praise from Hackney Mayor for Its Achievements in the UK

Mayfair Digital Agency's Founders, Alaattin Çağıl and Dr. Murat Dağıtmaç, Recognized for Their Impactful Contributions to the Digital Landscape in the UK and Beyond

London, United Kingdom May 2, 2025 ([Issuewire.com](https://www.issuewire.com)) - The success of Turkish entrepreneurs on the international stage has once again echoed around the world. Mayfair Digital Agency in London, which relocated from Turkey to the UK to offer digital services on a global scale, has been recognized for its significant achievements beyond the country's borders. The agency was commended by Hackney Mayor Caroline Woodley for its impactful projects and contributions in the UK, continuing to make a name for itself as a leading Turkish firm in the region.

The founders of Mayfair Digital Agency, **Alaattin Çağıl** and **Dr. Murat Dağıtmaç**, have reached a major milestone in their agency's growth journey. Recently, at a prestigious event organized by the London Turkish Community, the agency was presented with a plaque of appreciation by Hackney Mayor Caroline Woodley. This recognition highlights not only the agency's success in the UK but also its growing global reputation.

Mayor Woodley praised the agency for its significant work in the UK's digital sector and emphasized the importance of the contributions made by Turkish firms on a global scale. She acknowledged the value of interaction between local communities and different cultures, inviting Mayfair Digital Agency to attend

future council events to learn more about its work.

This recognition underscores the agency's success not only in business but also in building strong cultural ties. With success stories spreading from Turkey to the UK and across the world, Mayfair Digital Agency has left a lasting impact both locally and internationally. The agency's recent acknowledgment from the Hackney Mayor has once again highlighted its international achievements.

The management of Mayfair Digital Agency, **Alaattin Çağıl** and **Dr. Murat Dağıtmaç**, shared that this recognition adds more responsibility to their work and expressed their commitment to undertaking larger global projects in the future. **Alaattin Çağıl** mentioned that new initiatives aimed at inspiring young entrepreneurs are underway, while **Dr. Murat Dağıtmaç** emphasized that his academic expertise would continue to contribute to digital transformation. Both founders highlighted their determination to strengthen Turkish entrepreneurship globally.
