

Victoria Stiles Drops New Summer-Themed Dance Music Across Major Streaming Platforms

Celebrity Makeup Artist and Political Beauty Maven Brings Fresh Vibes to the Dance Floor

DC, Washington May 11, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Internationally acclaimed celebrity makeup artist and Washington, DC beauty expert Victoria Stiles is turning up the heat this summer with the release of her new summer-themed dance music, now available on major streaming platforms including Spotify, Amazon Music, Apple Music, Pandora, iHeartRadio, and more.

Stiles, known for her work with high-profile political figures and red carpet appearances, is stepping out from behind the brush and into the studio, blending her artistry in beauty with electrifying dance beats. Her new tracks are designed to be the soundtrack for the season—infusing feel-good vibes and infectious rhythms that are perfect for everything from beach parties to sunset drives.

"I've always believed that beauty and music share the power to transform and uplift," says Stiles. "Whether I'm creating a flawless look for a public figure or mixing beats for a summer anthem, it's all about capturing that essence of confidence and joy."

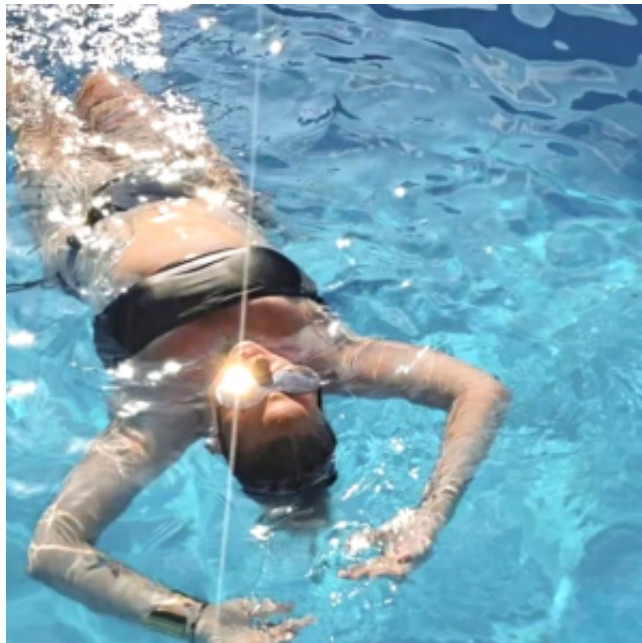

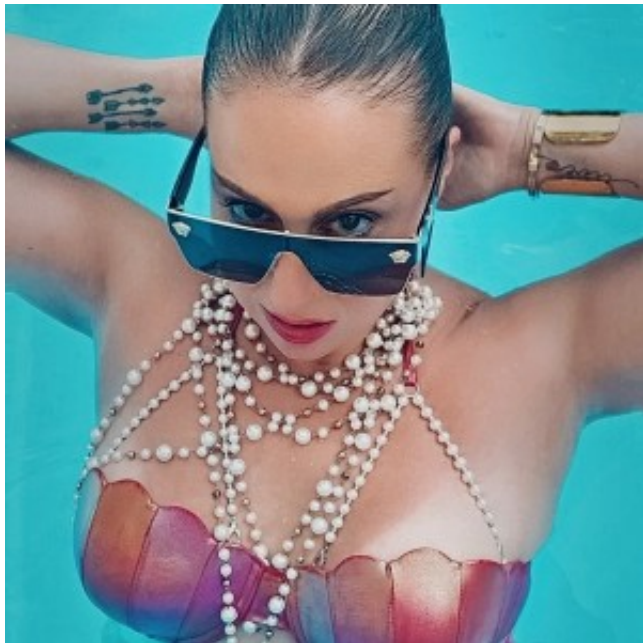

Stiles' background as a makeup artist has brought her into the orbit of political heavyweights in Washington, DC, and entertainment icons around the globe. From backstage at major political events to glam sessions for on-air talent, her artistry has graced some of the most influential faces in the country. Now, she's channeling that same creative energy into music, producing tracks that reflect her dynamic lifestyle and passion for bold self-expression.

Her debut collection of dance tracks, including *Song of the Summer*, *Song of the Summer Hotter than July Remix*, and *Sunkissed Nights*, is a celebration of summer—radiating warmth, energy, and a sense of freedom, much like her role as Creative Director at ShikSona Beauty—a brand known for delivering beauty solutions for busy women on the go. Stiles masterfully balances her fast-paced lifestyle, blending her love for music and beauty into every endeavor. Listeners can find Stiles' music on all major streaming platforms, where they can experience the seamless blend of beauty and beats she's known for.

"Music has always been a part of my creative journey," adds Stiles. "I'm thrilled to share this new side of my artistry and hope these songs bring the same kind of joy and empowerment that I aim to create through beauty."

Victoria Stiles' summer dance tracks are available now on Spotify, Amazon Music, Apple Music, Pandora, iHeartRadio, and all major streaming platforms.
