

Yehoshua From JBGODS To Battle Skaters In Rising Stars Competition

The First JB Skate Battle For Yehoshua

Chicago, Illinois May 4, 2025 ([Issuewire.com](https://www.Issuewire.com)) - On May 8th at 6:30 pm the battles will begin at the Dolton outdoor skating rink. Yehoshua is a star athlete on the JBGODS Skate Team lead by the GodKing Pharaoh. This Rising Stars battle includes 8 total opponents competing for a \$250 cash prize. Yehoshua's attendance alone reinforces his nomination for Best New Skater at the JBGODS Rose Awards coming to Chicago in 2025. [Yehoshua has been matched with a seasoned Chicago jb skater](#) and this event is sure to be an exciting one. The JBGODS Skate Team and Pharaoh are expected to be on the sidelines of the event in full support of their teammate.

As many may know, Pharaoh has never entered a street battle hosted by underground skating figures. He has never participated and does not plan on participating in any battles. This has caused some controversy in Chicago with jb skaters. People want to know why such a well known skater with such high status does not compete in underground battles. People have to accept that it just won't happen.

Pharaoh and the JBGODS are the most organized company in the world of jb skating. Skaters have been interested in being associated with the team but the demand for maintaining membership is high. Those who are not interested in a lot of hard work need not apply.
