

YITI Launches Premium Capsule Filling Machines to Empower Health & Wellness Entrepreneurs

Innovative Manual Capsule Fillers Combine Precision Engineering with User-Centric Design

LaGrange (La Grange), New York May 10, 2025 ([issuewire.com](https://www.issuewire.com)) - YITI, a forward-thinking company dedicated to enabling self-expression through high-value health products, announces the expansion of its professional capsule equipment line with two new [manual capsule filling machines](#) (100-hole and 400-hole models). These tools empower small-scale supplement producers, herbalists, and wellness practitioners to create customized capsules with pharmaceutical-grade precision.

Engineered for Accuracy, Designed for Passion

YITI's capsule fillers address a critical gap in the health product market by offering:

- ❑ **Multi-Size Compatibility:** Works with capsule sizes 0, 00, 000, 1, 2, and 3
- ❑ **Pharma-Grade Construction:** Stainless steel contact surfaces & FDA-compliant materials
- ❑ **Efficiency Boost:** 400-hole model fills ~1,000 capsules/hour (ideal for startups)
- ❑ **User Safety:** Ergonomic design reduces repetitive strain

"Our machines turn passion into profession," says **Smoothly**, YITI's Head of Product Development. "Whether you're a herbalist scaling your tea blends or a fitness coach creating personalized

supplements, we provide the tools to **express your unique health vision.**"

Why This Launch Matters

The global **empty capsules market** (valued at \$2.1B in 2023) is growing at 6.8% CAGR, driven by demand for customized supplements. YITI's fillers enable:

- **Small Businesses:** Avoid outsourcing with in-house production
- **Practitioners:** Ensure formula consistency (no cross-contamination)
- **Sustainability:** Reduce waste vs. pre-filled capsules

Technical Specifications
Model 100-Hole 400-Hole **Output** 300 caps/hour 1,000 caps/hour
Dimensions 8" x 6" x 2" 12" x 9" x 3" **Weight** 2.2 lbs 4.4 lbs **Key Advantage** Portable for home use High-volume micro-production
YITI's Vision: Where Health Meets Individuality

Founded on the belief that **every passion deserves professional-grade tools**, YITI rigorously vets suppliers to deliver:

- **Curated Product Standards:** All equipment meets cGMP guidelines
- **Lifetime Support:** 24/7 troubleshooting via chat
- **Made for Creators:** From herbalists to clinical aromatherapists
