

Young Hadene Launches Str8hitsRecords, A New Era in Independent Trap Music

Toronto, Ontario May 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Young Hadene Launches *Str8HitRecords*, A New Era in Independent Trap Music

Rising Haitian-Canadian rap artist **Young Hadene** officially launches **Str8hitsRecords**, an independent label set to redefine the landscape of modern trap and drill music. Known for his gritty

storytelling and cultural fusion, Hadene is now building a platform that elevates underrepresented voices and sets new standards in sound, visuals, and brand identity.

"**Str8hitsRecords**" is more than a label," says Young Hadene. "It's a movement for artists who never had a lane — so we're paving one."

About Young Hadene

Young Hadene blends his Haitian roots with the raw energy of Toronto's streets, creating a distinct sound gaining momentum across digital platforms. He recently made waves with songs like:

- "No Choice (Official Music Video)" – a cinematic street anthem
- "30k (LV Tru Diss)" – a bold lyrical statement
- "Pablo" – a cultural crossover hit
