

Zandra R. Reid, RN, CLNC, BSN, MJ, Elevates Legal Nurse Consulting in Georgia

Bridging Medical Expertise and Legal Insight to Support Attorneys in Complex Healthcare Litigation

New York City, New York May 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - Zandra R. Reid, RN, CLNC, BSN, MJ, a distinguished Legal Nurse Consultant based in Georgia, is making significant strides in the intersection of healthcare and law. With a robust background in nursing and legal studies, Reid offers invaluable

services to attorneys navigating the complexities of medical-related cases.

Reid's comprehensive education includes a Bachelor of Science in Nursing (BSN) and a Master of Jurisprudence (MJ), equipping her with a unique perspective that seamlessly integrates clinical knowledge with legal acumen. Her certification as a Certified Legal Nurse Consultant (CLNC) underscores her commitment to excellence in the field.

In her role, Reid meticulously analyzes medical records, identifies deviations from standard care, and provides expert opinions on a variety of cases, including medical malpractice, personal injury, and wrongful death. Her expertise aids attorneys in understanding complex medical information, ultimately contributing to more informed legal strategies.

Legal Nurse Consultants like Reid play a crucial role in the legal system by offering insights that bridge the gap between medicine and law. Their contributions are instrumental in ensuring that legal professionals have a clear understanding of medical facts, which is essential for the fair resolution of cases.
