

After 25 Years, Valor Janitorial Expands to Midland-Odessa, Growing Its Reach in West Texas Commercial Cleaning Industry

Midland, Texas Jun 26, 2025 ([Issuewire.com](https://www.issuewire.com)) - Valor Janitorial, a leading commercial cleaning and janitorial company, proudly announces the expansion of its operations to Midland, Texas. **Founded in Dallas in 2001**, Valor is now poised to bring its high-quality, professional cleaning solutions to businesses across the dry, windy climate of Midland-Odessa and wider West Texas.

With over two decades of experience, Valor specializes in comprehensive janitorial services for a diverse range of commercial facilities, including offices, schools, medical centers, and sports venues. The company's move to Midland directly addresses unique cleaning challenges faced by businesses in the arid region, particularly the frequent dust and wind storms that leave pervasive red-dirt residue on floors and surfaces.
