

AME-3D Appoints Jamie Corden as Sales & Marketing Director

Sheffield, South Yorkshire Jul 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - AME Group Ltd, trading under the brand name **AME-3D**, is pleased to announce the appointment of **Jamie Corden** as its new **Sales & Marketing Director**. Jamie joins the business from a senior sales leadership role at top European competitor, Materialise, where he led a UK-wide team delivering 3D printing solutions across a broad range of sectors.

In his new position, Jamie will lead AME-3D's sales and marketing function, working closely with the board to shape commercial strategy and support the company's ambitious growth plans.

This marks another significant step forward since their equity investment in 2021 which fuelled the acquisition of cutting-edge 3D printing equipment, and strengthened their design and prototyping services and expansions into new markets.

Ian Jones, Founder of AME Group Ltd, said:

"We're delighted to welcome Jamie to the team. His experience in advanced 3D printing, along with a strong commercial track record and passion for customer service, makes him a perfect fit for AME-3D. Jamie's appointment reflects our continued investment in talent and technology to deliver the very best for our clients. JW Markets did a great job putting us in touch with Jamie."

AME-3D is a product design consultancy and low-volume manufacturing specialist based near

Sheffield, located on the historic site of a former Yorkshire colliery. Established in 1996, AME-3D offers a comprehensive range of services including product development, rapid prototyping, and small to medium batch production through their 3D printing and vacuum casting technologies. Serving clients from ambitious start-ups to global multinationals, the company has grown steadily over the decades.

AME benefits from the Sheffield region's status as a hub for advanced manufacturing, anchored by the Advanced Manufacturing Innovation District (AMID) and the Advanced Manufacturing Park (AMP) in nearby Rotherham. Home to world-leading companies and research centres, including the University of Sheffield's Advanced Manufacturing Research Centre (AMRC), the district nurtures innovation-led manufacturing and attracts significant investment. This thriving ecosystem allows AME Group to tap into cutting-edge R&D and collaborate with key industry players.

Jamie Corden, Sales & Marketing Director, added:

"It's fantastic to be joining AME-3D at such an exciting time. The business has an incredible reputation for quality and innovation, and I'm looking forward to helping grow our customer base, build strong partnerships, and contribute to the next phase of the company's journey."

James White, Founder and CEO of JW Markets Ltd, commented:

"It's always a pleasure to headhunt around the Sheffield area. There's a deep pool of talent arising from a thriving ecosystem of advanced manufacturing, high-end engineering and tech start-ups. Jamie's ready for the next stage of his career, where he can build his leadership and strategic skills within an independent business - it's great that JWM could be a part of that."
