

"Anarchy Hypnosis" by Dr. William Deihl Hits #1 on Amazon Kindle, Ignites a Revolution in Mind Power

Dr. William Deihl's no-fluff manifesto is currently ranked as the #1 New Release in Hypnosis Self-Help and also holds the #1 position in Hypnosis Self-Help overall on Amazon Kindle, challenging everything most people think they know about hypnosis.

Phoenix, Arizona Jun 20, 2025 ([IssueWire.com](https://www.issuewire.com)) - Anarchy Hypnosis: Hypnosis They Don't Want You to Know by Dr. William Deihl, PhD, is now the #1 New Release and #1 overall in Hypnosis Self-Help on Amazon Kindle. This milestone marks a bold moment for modern hypnotherapy and challenges the way professionals and the public approach the subconscious mind.

Available on Amazon Kindle and print via Kindle Print Replica Edition, the book strips away outdated models and presents an innovative framework for creating real, lasting change through personalized hypnosis.

Designed for therapists, coaches, and self-development practitioners, Anarchy Hypnosis delivers a results-driven approach that breaks away from rigid scripts and formulaic methods. Dr. Deihl's field-tested techniques are rooted in real-world experience and built for flexibility, clarity, and transformation.

Inside the book, readers will discover:

- What actually causes trance, and why do the myths persist
- Hypnotic tools for trauma recovery, pain relief, behavior change, and creativity
- Techniques using sensory language, symbolic work, and indirect suggestion
- Step-by-step methods that adapt to the client
- Case studies showing how real breakthroughs happen

This is a manifesto for those who want to challenge convention, trust their instincts, and unlock the full potential of the human mind.
