Andrew “Drew” Ingram Joins Mohr Partners, Inc. as Transactions Coordinator in Dallas Office

New York City, New York Jun 2, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Mohr Partners, Inc., a leading commercial real estate services firm, is proud to spotlight Andrew “Drew” Ingram as Transactions Coordinator in the firm’s Dallas office. Drew is a vital member of Stephen Hemphill’s brokerage team, specializing in tenant

representation and supporting national portfolio clients with comprehensive transaction management, strategic planning, and site selection services across various industries.

Drew brings a strong academic background to his role, having earned a Bachelor of Science in Business Management with a minor in Communication Studies from the University of Northern Colorado's Monfort College of Business in 2020. His journey into commercial real estate began with an internship at Foothills Roof Services, Inc., a Denver-based subsidiary of Amtech Solutions. In this capacity, Drew worked under the lead engineer to prepare data analysis reports for the Denver-area commercial roofing market, gaining valuable insights into the intricacies of the industry.

His experience at Foothills was instrumental in laying the groundwork for his career in commercial real estate. Drew routinely applies the analytical skills he developed during his internship to produce accurate market data analyses for Mohr Partners' clients. Before his current role, he served as a Senior Transaction Analyst at Mohr Partners, where he was pivotal in fostering relationships with landlord brokers and conducting research and site selection analysis for clients within the firm's Global Corporate Services (GCS) portfolio. His leadership role in the Research Department for several corporate healthcare accounts further exemplifies his dedication to providing clients with critical market insights.

"I believe effective navigation of the real estate process is vital to the long-term success of any business, which also allows for the long-term growth of our communities," Drew stated. "I am proud to be a part of this business, and being able to help my clients achieve their goals is what motivates me."

Outside of his professional endeavors, Drew is an avid backpacker and mountain climber. His adventures have taken him to remarkable peaks such as Mt. Rainier in Washington, Mt. Whitney in California, and King's Peak in Utah.
