Suwanee, Georgia Aug 3, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Renowned Ballroom Coach with Global Reputation and Three Generations of Family Legacy Opens Studio in Johns Creek.

Internationally acclaimed ballroom coach and adjudicator Oleksandra Tsyrlina, known for training world and European champions, is proud to announce the grand opening of her third dance studio — and second in the United States — Royal Dance Academy, located in Johns Creek, Georgia.

With over 20 years of experience in competitive coaching and international judging, Tsyrlina has helped shape generations of dancers and educators in both Europe and the U.S. Her teaching style blends classical foundation with modern technique and a deep commitment to discipline, artistry, and personal growth.

“It’s not just about dancing. It’s about connection, discipline, and giving people a place to express themselves. I’m proud to bring my family’s legacy into this next chapter,” says Tsyrlina.

A Career Built on Excellence and Global Impact

Tsyrlina comes from a family of dance educators spanning three generations. Her mother was her first teacher — and today, she continues to operate the original Royal Dance Academy location in Kharkiv, Ukraine, which Oleksandra founded before relocating to the U.S. Now, Tsyrlina’s own children are continuing that legacy by performing and teaching alongside her.

Her career achievements include:

- Training bronze medalists at the World Disney Cup in Paris
- Coaching multiple European champions in Latin and Standard programs
- Serving as Head of the Committee for Education and Certification of Dance Coaches at the National Dance League of Ukraine (FNDL) from 2019 to 2022
- Receiving the Mayor’s Cup for Coaching Excellence in 2008 at the Kharkiv Mayor’s Cup — later named Best Tournament of the Year by the World Dance Council (WDC) in Paris
- Judging national and international competitions across Europe and the United States
- Holding a degree with honors from the International Slavic University in arts and pedagogy

Royal Dance Academy: A Legacy in Motion

Originally founded in Ukraine, Royal Dance Academy has built a reputation for developing elite-level dancers and offering high-quality training from early childhood through adult performance levels. Oleksandra opened her first U.S. studio in Naples, Florida in 2023, which was named Top Youth Studio at the Naples Star Ball in 2024.

Now, with the new studio in Georgia, Royal Dance Academy will offer:

- Ballroom & Latin dance (social and competitive)
- Wedding dance & special event choreography
- Pro/Am training for children and adults
- Ballet and creative movement for youth
- Art camps, intensives, and masterclasses
