

Behnaz Mohammadi: A Trailblazer in Emergency Nursing and Travel Healthcare

Delivering Compassionate Care, Advancing Clinical Excellence, and Embracing the Journey

New York City, New York Jun 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Behnaz Mohammadi, a dedicated Emergency Room Nurse and travel nurse, exemplifies the spirit of compassion and resilience in the healthcare profession. With over two decades of experience, Behnaz has carved a niche for herself in emergency medicine, combining her clinical expertise with a passion for travel nursing.

Behnaz began her academic journey in nursing at CUNY Bronx Community College, where she earned an Associate of Science Degree in Registered Nursing in 2000. Her educational pursuits did not stop there; she further enhanced her knowledge and skills by obtaining a Bachelor of Science in Nursing Degree from St. Francis College in 2004. Driven by a steadfast commitment to both clinical practice and education, Behnaz pursued a Master's Degree in Nursing and Education from Teachers College, Columbia University, which she completed in 2010. Most recently, in 2023, she achieved a Doctor of Nursing Practice Degree from Walden University, marking a significant milestone in her professional journey.

Throughout her career, Behnaz has not only focused on providing exemplary patient care but has also been an advocate for advancing healthcare practices. Her dedication to the nursing profession is reflected in her active memberships in several esteemed professional organizations. As a proud member of the American Nurses Association, Behnaz is committed to promoting the interests of nurses nationwide. Additionally, her affiliation with the Emergency Nurses Association highlights her unwavering dedication to excellence in emergency nursing practice.

Behnaz's experiences as a travel nurse have allowed her to work in diverse healthcare settings, adapting to varying challenges and providing quality care across the country. Her unique perspective on healthcare delivery, coupled with her extensive educational background, positions her as a leader in the field, inspiring both colleagues and patients alike.

In a time when healthcare is more critical than ever, Behnaz Mohammadi stands out as a beacon of hope and professionalism. Her journey serves as an inspiration to aspiring nurses and healthcare professionals, illustrating the impact that dedication, education, and a passion for service can have on the lives of others.
