

Brandee Gil, MSN, BSN, RN, CEN, CPPS: Elevating Patient Care Standards in Emergency Nursing

Championing Excellence and Patient Safety at Mission Health

New York City, New York Jun 20, 2025 ([IssueWire.com](https://www.IssueWire.com)) - With over 25 years of dedicated experience in nursing, Brandee Gil, MSN, BSN, RN, CEN, CPPS, stands out as a highly motivated and dependable Registered Nurse specializing in emergency care, leadership, and perioperative care. Currently serving as a Clinical Nurse Coordinator at Mission Health, Brandee is committed to minimizing risks and enhancing safety outcomes for patients in critical and surgical settings.

Brandee's impressive career is marked by her advanced nursing education from Excelsior University, where she honed her clinical expertise and developed a profound commitment to patient care. Her extensive background in emergency and perioperative nursing has made her a trusted figure among colleagues and patients alike, and her professionalism has earned her a commendable reputation within the healthcare community.

As a Certified Emergency Nurse (CEN) and Certified Professional in Patient Safety (CPPS), Brandee emphasizes the importance of patient safety and the need for continuous improvement in emergency and perioperative care settings. Her role at Mission Health involves not only providing exceptional care but also developing protocols that enhance patient outcomes and minimize risks associated with emergency and perioperative procedures.

In addition to her clinical responsibilities, Brandee is an active member of several professional organizations, including the American Society of PeriAnesthesia Nurses, the Emergency Nurses Association, and the Society of Gastroenterology Nurses and Associates. These affiliations reflect her commitment to ongoing education and professional development, enabling her to stay at the forefront of advancements in nursing and patient care.

Brandee's dedication to nursing excellence and her unwavering support for her patients make her a valuable asset to the healthcare community in North Carolina. Her leadership at Mission Health is not only transforming patient care but also inspiring the next generation of nurses to prioritize safety and quality in their practice.
