Mustard Oil for Indian Cooking:

The complexities of Indian cooking are synonymous with flavors, spices, and aromas. Throughout history, mustard oil has played a vital role in binding the essential components of the food. Traditional knowledge of cooking continues to be respected by Ganesh Brand Oils and has become competitive with new advances. Their oil is true to classic Indian recipes, from everyday dals and sabzis to specialty items. **Mustard oil for Indian cooking** adds rich flavor and health benefits. Choose Ganesh Brand Oil for pure, traditional, cold-pressed mustard oil in every meal.

Our mustard oil has a high smoke point, which provides versatility in frying, roasting, and sautéing. This pungent oil has a distinct flavor that complements foods such as fish curry, achar, and mustard-based gravies, all common in traditional foods. With antibacterial and antifungal properties, it can be good for digestion and your cardiovascular health.

Kacchi Ghani Mustard Oil:

What distinguishes [Kacchi Ghani Mustard Oil](#) from regular oils is the extraction method. The cold-pressing (kacchi ghani) extraction process consists of crushing mustard seeds at a low temperature to preserve vitamins, colour, and flavour. Ganesh Brand Oil uses this process as a whole to make sure every drop of oil is healthy and tasty.

Unrefined and cold pressed oils such as Ganesh Kacchi Ghani Mustard Oil does not lose any nutritional value as it is not exposed to chemicals or heat. It also contains a large amount of monounsaturated and polyunsaturated fats, omega-3 fatty acids, and is an antioxidant. It is a great addition to a healthy diet!

Try it in your cooking and see if you can taste the difference with pure kacchi ghani oil!
