

Career Mentor Masooma Ajaz Honoured with Global Peace Award at United Nations Bangkok

Masooma Ajaz recognized for her outstanding humanitarian work and voluntary career mentorship for job seekers in the UAE.

Dubai, United Arab Emirates Jun 27, 2025 ([Issuewire.com](https://www.issuewire.com)) - Masooma Ajaz, a Pakistan-born, UAE-

based career mentor and humanitarian, has been awarded the prestigious **Global Peace Award** at the **United Nations Bangkok**, during the **International Diplomat Conference** organized by the **Voice for Rights International Association**.

The award was presented in recognition of Masooma Ajaz's unwavering commitment to helping others—especially job seekers from Pakistan who arrive in the UAE with limited knowledge of the local job market. Through her voluntary efforts, she provides **free career guidance, CV writing support, interview preparation, motivational coaching**, and professional development training to thousands of individuals striving to build better futures.

Masooma has become a trusted name among professionals across the UAE, particularly for her tireless contributions to the career growth and empowerment of others. Her work aligns with key **United Nations Sustainable Development Goals (SDGs)**, including decent work, reduced inequalities, and community advancement.

“This award is a deeply humbling and proud moment for me. It recognizes not just my personal journey, but the resilience and potential of every job seeker I have supported. I'm grateful to the **United Arab Emirates** for giving me the platform and freedom to carry out this work,” said Masooma Ajaz.

The **Voice for Rights International Association**, a globally recognized body that honours changemakers in the fields of diplomacy, peace, and human rights, acknowledged Masooma for her real-world impact and dedication to social betterment.

This recognition marks a major milestone in Masooma's journey of service and reinforces her commitment to uplifting individuals through practical guidance, empowerment, and hope.
