VS EYEWEAR

Bangor, Pennsylvania Jun 13, 2025 ([IssueWire.com](https://www.issuewire.com)) - This Father's Day, VS Eyewear encourages customers to honor the dads, father figures, and visionaries in their lives by participating in the **Father's Week Long Sale!** From **June 11th to June 18th**, shoppers can take advantage of **up to 25% off** a vast selection of eyewear products by utilizing the exclusive **coupon code DAD25** during checkout.

Why Eyewear Makes a Great Father's Day Gift?

Practical, stylish, and long-lasting, eyewear is the kind of gift that Dad will use every single day. Whether he's upgrading old lenses, needs better protection on the job, or just wants to look good while reading the morning news, VS Eyewear has the perfect fit.

As a leader in premium optical solutions, VS Eyewear is presenting this limited-time offer across select categories, which include real glass prescription lenses, safety eyewear, designer frames, and more. Whether it's refreshing Dad's everyday glasses or presenting him with custom lens replacements for crystal-clear vision, VS Eyewear guarantees the ideal combination of style, comfort, and clarity.

Father's Day Sale Highlights:

- **Up to 25% OFF sitewide**
- **Valid from June 11 – June 18, 2025**
- **Use coupon code: DAD25** at checkout
- Eligible across premium eyewear frames, real glass lenses, and prescription upgrades

We combine traditional craftsmanship with modern customization, offering everything from classic aviator styles to wraparound safety frames with precise prescriptions.

You'll also enjoy:

- Fast turnaround times
- Custom lens tinting and finishes
- Prescription options for every lifestyle
- Outstanding customer support

From classic aviators to durable safety glasses and advanced prescription lens options, VS Eyewear's selection suits every personality and lifestyle. And with expert craftsmanship and a reputation for quality, customers can rest assured they're getting the best for Dad.

Hurry – Limited Time Only! Celebrate Father's Day with clear vision and serious savings. For assistance, call us at 1-877-872-5780 or email us at sales@vseyewear.com.

About VS Eyewear

VS Eyewear offers a wide variety of eyewear, including both prescription and non-prescription options tailored for safety, style, and specific needs such as laser and radiation protection, as well as sports use.

Their collection features safety glasses suitable for industrial and outdoor work, lampworking glasses, shooting glasses, and clip-on options, all crafted from high-quality materials like impact-resistant polycarbonate lenses with UV protection. Additionally, they provide customization options, including bifocals, progressives, and tinted lenses, while ensuring compliance with ANSI-certified safety standards.
