Centaurus Merchant Services Launches New Fraud Detection, Business Rewards, and Charity Initiatives

New AI-Powered Fraud Detection Engine Protects Merchants in Real-Time

Showcase a proprietary or integrated AI solution that actively prevents fraudulent transactions. Angle: Emphasize trust, security, and cutting-edge technology.

Protections from Merchant Cash Advance Debt

Understanding the risks many businesses face with traditional merchant cash advances, Centaurus has introduced protective measures and advisory services to support business growth without reliance on predatory lending practices.

Monthly Bonus Checks for Businesses

As part of a new Merchant Bonus Rewards Program, Centaurus will now issue monthly bonus checks to qualifying businesses based on their payment processing volume.

Percentage of Revenue to Benefit Charity

Centaurus is committed to giving back, with a percentage of every transaction processed being donated to organizations such as St. Jude Children's Research Hospital and Wounded Warrior Project.

New York City, New York Jun 11, 2025 ([IssueWire.com](https://www.issuewire.com)) - *Centaurus Merchant Services*, a division of **Centaurus Holdings Inc.**, today announced the launch of a powerful suite of new features and programs designed to serve businesses and communities better, reward loyalty, and give back to communities across the U.S. This latest rollout includes advanced AI-powered fraud protection, financial safeguards against merchant cash advance debt, monthly cash rewards for merchants, and a commitment to donating a percentage of revenue to charitable organizations including **St. Jude Children's Research Hospital** and **Wounded Warrior Project**.

Smarter, Safer Payment Processing

At the forefront of the company's innovations is a **real-time, AI-driven fraud detection engine** designed to proactively identify and block suspicious activity before it becomes a problem. By integrating the latest advancements in machine learning, Centaurus aims to provide unmatched protection and peace of mind for merchants of all sizes.

"We're bringing Wall Street-level security to Main Street," said a spokesperson for Centaurus Merchant Services. "Our fraud detection engine is like having a 24/7 security guard monitoring every transaction."

Debt-Free Business Growth Support

Understanding the risks many businesses face with traditional merchant cash advances, Centaurus has introduced **protective measures and advisory services** to help clients avoid predatory lending traps. The goal is simple: support business growth, not bury it under high-interest debt.

Get Paid to Get Paid: Monthly Business Rewards

As part of a new **Merchant Bonus Rewards Program**, Centaurus will now issue **monthly bonus checks** to qualifying businesses based on their payment processing volume. The more a business processes, the greater its reward, offering a unique, no-strings-attached benefit to help boost profitability.

"Most processors just take your money. We believe in giving something back," the CEO, Alexander Mirvis," added.

Processing with Purpose: Giving Back to Those Who Serve

Centaurus is proud to announce a new **Charity Contribution Initiative**, in which a **percentage of every transaction processed** will be donated to causes that matter, starting with **St. Jude Children's Research Hospital** and the **Wounded Warrior Project**.

"For us, success is not just about profits, it's about purpose. Every swipe, tap, or chip read through our systems helps support children fighting life-threatening diseases and veterans overcoming physical and emotional wounds."
