San Francisco, California Jun 17, 2025 ([IssueWire.com](http://www.IssueWire.com)) - Design Plus Gallery is a modern furniture store in Marin and San Francisco. It is the ideal shopping destination for homeowners, decorators, and design enthusiasts with a unique and stylish approach to shopping. The gallery features high-quality pre-

owned furniture, art, rugs, lighting, and accessories. Each item is carefully selected to help establish style, comfort, and character in your home. Whether you are outfitting a home, enhancing your home, or simply on the hunt for that perfect statement piece, this designer [furniture store in San Francisco](#) is helping to make it easy to discover something special. To check out their offerings, kindly visit: <https://www.designplusgallery.com/>.

Customers can access various design styles - from modern minimalistic to stately elegance and everything in between. Further, their team is passionate, knowledgeable, and welcoming, and makes even the simplest shopping experience pleasant, unforgettable, and inspiring. Design Plus Gallery is more than merely a store. Rather, it is a place that blends the sustainable, smart living lifestyle. By repurposing previously owned designer furniture, this modern furniture store in Marin helps reduce landfill waste while also allowing customers to get high-end furniture at an affordable price. The store includes everything from modern mid-century to luxury contemporary, with a focus on quality sourcing and workmanship.

If you're the type of consumer who desires to make thoughtful purchases without sacrificing style or quality, you have found your store. As one of the top furniture stores in San Francisco, Design Plus Gallery is successfully making high-end, eco-conscious living attainable and affordable. The team makes sure every customer has a seamless and friendly shopping experience. They offer assistance with everything, from choosing furniture and layout advice to logistics and delivery. They even take your furniture in on consignment if you want to downsize or clear out for something new.

This modern furniture store in Marin not only sells furniture but also helps people create beautiful, functional spaces they love. If you want to upgrade your home with stylish, affordable, and eco-friendly furnishings, visit Design Plus Gallery today, or check online to see what's new. With two convenient locations serving Northern California, including Marin and San Francisco, Design Plus Gallery is now a favorite weekend stop for interior designers, home stagers, and homeowners alike.
