

DogTuff Prepares for Grand Opening in Mount Dora with June 26 Ribbon Cutting

Soft Opening Now Underway Welcoming Locals and Their Pups

Eustis, Florida Jun 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - [DogTuff](https://www.dogtuff.com), the go-to destination for tough-tested dog toys and accessories, is thrilled to announce the soft opening of its first retail location in the heart of historic Mount Dora. The boutique-style dog toy store is now welcoming pet parents from Lake, Orange, and Seminole Counties ahead of its official ribbon cutting and Grand Opening celebration on Wednesday, June 26, at 4:30 pm.

Located at [930 N Donnelly Street](#), DogTuff selected Mount Dora for its rich charm, canine-friendly culture, and proximity to the company's original warehouse. "Mount Dora feels like home," said Scott Cody, owner of DogTuff. "We've always believed this town, with its walkability, community spirit, and love for pets-was the perfect setting for a unique and rugged dog toy boutique."

Set inside a beautifully preserved home that turned 100 years old this March, the DogTuff storefront combines historic character with modern pet retail. The century-old building gives DogTuff its "rough and tuff" look - perfectly echoing the durability of the toys it stocks. With exposed wood, vintage touches, and a welcoming front porch, the store feels more like a dog lover's clubhouse than a traditional pet shop.

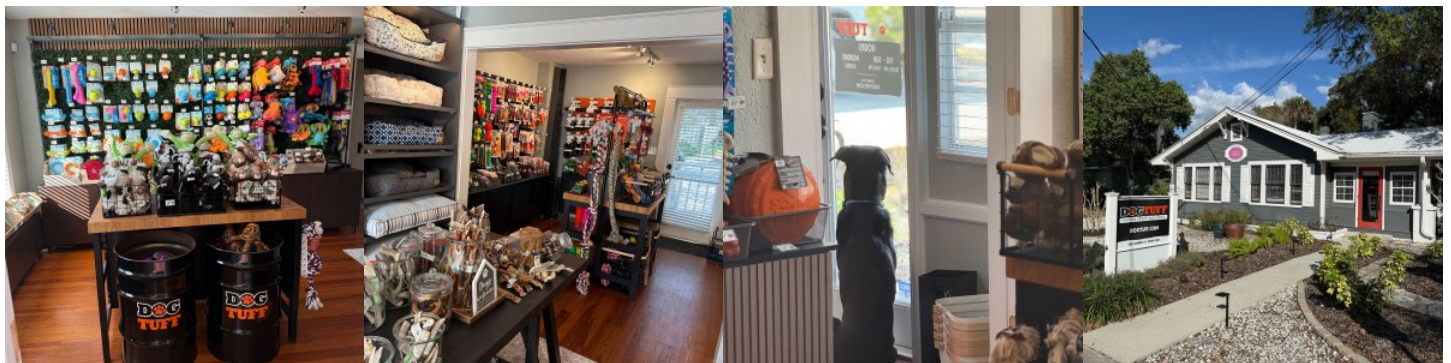

The soft opening period offers locals from Mount Dora, Tavares, Eustis, Apopka, Leesburg, Clermont, Altamonte Springs, Lake Mary, Ocoee, Winter Garden, Casselberry, and surrounding communities early access to DogTuff's curated selection. Shoppers can enjoy expert toy recommendations, exclusive in-store savings, and a sneak peek before the official grand opening festivities.

Visitors who stop by during the soft opening can also enter DogTuff's exclusive giveaway! All entries will be collected ahead of the grand opening, with the drawing taking place live during the ribbon cutting on June 26. It's a great chance to win some of DogTuff's most popular durable dog toys and accessories.

Specializing in ultra-durable toys from top-rated brands, DogTuff features products designed for aggressive chewers, playful pups, and everything in between - with over 60% made in the USA. The store also stocks a handpicked selection of pet accessories and gifts for dog lovers.

Mark your calendars for June 26 at 4:30pm, when DogTuff will host a ribbon-cutting ceremony in partnership with the [Mount Dora Area Chamber of Commerce](#). The event will include giveaways, special promotions, and plenty of tail-wagging excitement.
