

Dr. Crystal A. Miller Appointed Director of Respiratory Therapy at Concorde Career College – Portland

Accomplished Healthcare Leader and Educator Brings Over 20 Years of Experience to the Gresham and Greater Portland Healthcare Community

New York City, New York Jun 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - Concorde Career College is proud to announce the appointment of Dr. Crystal A. Miller, PhD, RRT, MBA, DHA, as the new Director of the Respiratory Therapy Program at its Portland campus. With more than two decades of clinical,

academic, and administrative experience, Dr. Miller is a highly respected leader in the field of respiratory care and will play a pivotal role in shaping the future of the program.

Dr. Miller holds a PhD in Healthcare Administration from Capella University, a Doctorate of Healthcare Administration and MBA from the University of Phoenix, and a BA in Human Services from Hawaii Pacific University. A licensed Registered Respiratory Therapist in Oregon, Washington, and Hawaii, Dr. Miller has been a strong advocate for patient-centered care. She is the founder of Oregon Patient Care Coordinators in Gresham, where she has been serving the local community since 2019.

In her new role at Concorde, Dr. Miller will lead the development of the respiratory therapy curriculum, mentor faculty, and foster student engagement in both academic and clinical settings. Her leadership is expected to enhance the college's commitment to graduating highly competent healthcare professionals who are ready to meet the demands of the modern healthcare system.

"We are thrilled to welcome Dr. Miller to our leadership team," said a representative from Concorde Career College – Portland. "Her impressive academic credentials and real-world experience will enrich our program and inspire our students. She exemplifies the professional excellence we aim to instill in every graduate."

Concorde Career College – Portland continues to be a trusted name in healthcare education. With the addition of Dr. Crystal A. Miller to its faculty, the college reinforces its mission to deliver hands-on, career-focused education and to meet the growing healthcare needs of Gresham and the greater Portland area.
