

Dr. Hassan Beydoun Joins Banner – University Medicine Heart Institute as Cardiologist

Bringing Multilingual Expertise and Evidence-Based Care to Phoenix's Cardiology Community

New York City, New York Jun 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - University Medicine Heart Institute proudly announces the addition of Dr. Hassan Beydoun, MD, to its esteemed cardiology team. Dr. Beydoun, a board-certified cardiologist, is committed to delivering comprehensive, evidence-based, and high-quality cardiovascular care to patients in the Phoenix area.

Dr. Beydoun earned his medical degree from the American University of Beirut in 2015. He completed his Internal Medicine residency at the ICAHN School of Medicine at Mount Sinai in New York in 2020, followed by a Cardiology fellowship at the University of Arizona College of Medicine – Phoenix, which he completed in 2023. He is board-certified in internal medicine as well as in cardiovascular disease and echocardiography.

Fluent in English, Arabic, and French, Dr. Beydoun is dedicated to providing culturally competent care to a diverse patient population. His clinical interests include cardiovascular disease and echocardiography, and he is known for his patient-centered approach. Dr. Beydoun is also an Assistant Clinical Professor in the Division of Cardiology at the University of Arizona College of Medicine – Phoenix, contributing to the education and training of future physicians.

Patients have praised Dr. Beydoun for his professionalism, knowledge, and attentive care, with a 4.7 out of 5-star rating based on 49 reviews. One patient noted, "He is very friendly, kind, and highly knowledgeable on his subject."
