

Dr. Henry L. Greene, DO, Returns to Jacksonville to Deliver Compassionate, Patient-Centered Internal Medicine Care

Jacksonville native brings expertise in chronic disease management and a mission-driven approach to Baptist Primary Care

New York City, New York Jun 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Baptist Primary Care proudly announces the return of Dr. Henry L. Greene, DO, to his hometown of Jacksonville, Florida. A board-certified internist, Dr. Greene is now accepting adult and senior patients at the Baptist Primary Care clinic located at 9090 Regency Square Blvd North.

Dr. Greene's journey into medicine was inspired by personal experience—witnessing his grandfather's battle with dementia ignited a passion for providing compassionate care. He earned his Doctor of Osteopathic Medicine degree from the Philadelphia College of Osteopathic Medicine, Georgia Campus in 2020 and completed his Internal Medicine residency at Northside Hospital Gwinnett in Lawrenceville, Georgia, in 2023.

Specializing in the management of chronic conditions such as diabetes, hypertension, anemia, thyroid disorders, obesity, and liver disease, Dr. Greene emphasizes building meaningful relationships with his patients. He is committed to attentive, transparent, and honest communication, aiming to earn and maintain the trust of those he serves.

Dr. Greene is affiliated with Baptist Medical Center Jacksonville and Baptist Medical Center South, institutions recognized for their excellence in patient care. His return to Jacksonville reflects a deep commitment to serving God and the community that shaped him, alongside his wife, children, extended family, and church family.
