

Dr. Karina Yelin, MD, Recognized for Excellence in Pediatric and Developmental Care in Baltimore

Board-Certified Pediatrician Offers Compassionate, Comprehensive Services at Kennedy Krieger Institute

New York City, New York Jun 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Karina Yelin, MD, a board-certified pediatrician with over 28 years of experience, continues to be a leading figure in pediatric and developmental care in Baltimore. Affiliated with the renowned Kennedy Krieger Institute, Dr. Yelin specializes in developmental-behavioral pediatrics, providing expert care for children and adolescents facing a range of neurological and behavioral challenges.

A graduate of Universidad de Buenos Aires Medical School, Buenos Aires, Argentina. She completed a 4-year residency in pediatrics at a public inner-city hospital in Buenos Aires. In 2000, she made the decision to pursue further training in the USA. She worked as a research assistant at the Neuropathology Department at St Christopher's Hospital, Philadelphia, PA; she completed a second residency in Pediatrics at Monmouth Medical Center (currently Unterberg Children's Hospital) and a fellowship in Developmental Behavioral Pediatrics at the University of North Carolina.

She is board-certified in Pediatrics by the American Board of Pediatrics and is known for her compassionate approach and clinical excellence. Dr. Yelin is currently accepting new patients at her practice located at 3901 Greenspring Ave, Baltimore, MD, 21211. Appointments can be scheduled by calling (443) 923-7630.

Dr. Yelin's expertise encompasses diagnostic and treatment recommendations for Autism and other developmental and behavioral issues associated with this condition. Her practice offers a multidisciplinary range of services in collaboration with psychologists, neuropsychologists, neurologists, psychiatrists, nurse practitioners, speech-language pathologists, occupational therapists, social workers, and clinical care coordinators.

Beyond her clinical practice, Dr. Yelin has contributed to several publications over the course of her training. She has also practiced Pediatrics and Developmental Behavioral Pediatrics in a rural area where she acquired experience in helping ensure parents can get the best resources and treatment for their children/adolescents despite limited accessibility to services.

Dr. Yelin's dedication to developmental pediatric care is reflected in her patient-centered approach, which emphasizes communication, personalized treatment plans, and family well-being. Her affiliation with the Kennedy Krieger Institute allows her to collaborate with a multidisciplinary team, ensuring comprehensive care for each child and adolescent.
