

Dr. Pankaj Gulati Expands Asthma and Allergy Care Services at Breath Clinic in Jaipur

Breath Clinic, located in Shyam Nagar, Jaipur, and led by pulmonology expert Dr. Pankaj Gulati, now offers comprehensive care for asthma, allergies, and respiratory disorders with personalized treatment plans.

Jaipur, Rajasthan Jun 21, 2025 (IssueWire.com) - Jaipur-based **Breath Clinic**, located at **H-7, Jan Path, Kishan Nagar, Shyam Nagar, Jaipur, Rajasthan 302019, India**, has expanded its specialized services in pulmonology under the expert guidance of **Dr. Pankaj Gulati**, one of the [best pulmonologists in Jaipur](#). With years of clinical experience and advanced qualifications in respiratory and critical care medicine, Dr. Gulati aims to provide accessible, modern, and ethical treatment for a wide range of respiratory diseases.

Patients suffering from **asthma, COPD, allergies, chronic cough, sleep disorders, tuberculosis, and lung cancer** can now receive tailored care at two conveniently located centers—**Breath Clinic in Shyam Nagar** and **Shalby Multispeciality Hospital, Vaishali Nagar**, Jaipur. The clinic operates with flexible consultation hours from 10:00 AM to 5:00 PM at Shalby and 5:30 PM to 8:00 PM at Breath Clinic.

Dr. Pankaj Gulati holds an MBBS degree, DNB (Respiratory Medicine), MNAMS, IDCCM (Critical Care), and DAA from CMC Vellore and International Asthma Services, Denver, USA. He is recognized for his patient-first approach and has previously served at top institutions like Fortis Noida, JNU Medical College Jaipur, and Escorts Hospital Jaipur.

Speaking about the clinic's mission, Dr. Gulati stated, "With rising air pollution and lifestyle stressors, asthma and allergy cases are increasing daily. At Breath Clinic, our goal is to provide personalized care that not only treats the symptoms but also addresses the root cause."

The clinic also offers counseling for **smoking cessation**, diagnostic lung function testing, and long-term respiratory care programs. Dr. Gulati's evidence-based, ethical approach has earned him the trust of hundreds of patients seeking expert care for their breathing issues.
