

Entrepreneur Sujit Nanda's Pulsepro Media becomes Best Advertising Agency in India

Sujit Nanda is a founder of India's fastest growing digital marketing company 'Pulsepro Media'

Bhubaneswar, Odisha Jun 13, 2025 ([Issuewire.com](https://www.issuewire.com)) - In the heart of India's digital revolution, **Sujit Nanda** is emerging as a trusted face in performance marketing. As the **Founder & Strategist at PulsePro Media**, Sujit has led his agency from the ground up—building not just a company, but a force behind **70+ growing Indian brands**.

From local startups to national businesses, **PulsePro Media** has helped brands **generate leads, scale revenue, and dominate online visibility**—with over **₹10 Crores in managed advertising spend** across Facebook, Instagram, and Google.

What truly sets PulsePro Media apart is its **official recognition as a Meta Business Partner and Google Partner**, a badge earned by delivering consistently high-performing ad campaigns and maintaining exceptional client satisfaction.

“We don’t sell services—we build long-term brand partnerships,” says Sujit Nanda. “Our mission is simple: turn every rupee spent into real, measurable business growth.”

Headquartered in Odisha, Bhubaneswar , PulsePro Media offers **Facebook & Google Ads, website development, video editing, and graphic design**, all backed by real-time performance data and a results-first approach. The agency has become a go-to solution for clients looking to **scale profitably**, with transparency and expertise at every step.

Sujit Nanda’s story reflects the rise of new-age digital entrepreneurs—those who understand the pulse of performance marketing and aren’t afraid to disrupt the industry with **smart work, honest pricing, and scalable strategy**.

With 70+ client success stories and counting, PulsePro Media is not just an agency—it’s a growth engine for modern Indian businesses.
