Basic contract	500	5	1.3percent	\$532.50
Classic contract	1000	10	1.4percent	\$1,140
Classic contract	3000	15	1.5percent	\$3,675
Classic contract	5000	20	1.6percent	\$6,600
Advanced contract	10000	30	1.7percent	\$15,100

Buena Park, California Jun 21, 2025 ([IssueWire.com](https://www.issuewire.com)) - \$100 sign-up bonus, fixed daily rewards and zero maintenance fees make cloud mining more accessible than ever before

[HJB MINER platform's \\$100 sign-up bonus](#), fixed daily income and zero maintenance fees make cloud mining more accessible than ever

HJBMINER, a leading global digital asset infrastructure provider, today announced the official launch of CloudMining™, a new generation of cloud mining platform designed to meet the growing demand of retail and institutional investors for transparent and convenient cryptocurrency income investment opportunities. Designed for novice investors and experienced enthusiasts, CloudMining™ allows users to earn Bitcoin (BTC), Ethereum (ETH), Dogecoin (DOGE) and other major assets in minutes - without having to buy ASIC miners or worry about energy price spikes.

Mining is at the heart of every blockchain, but the upfront costs and complexity keep too many people away. With the best cloud mining platform, a smartphone, \$100, and a few clicks, you can start earning daily cryptocurrency rewards in a sustainable and transparent way.

Key Features and Benefits

- [Instant \\$100 Welcome - New users get a \\$100 bonus when they sign up](#), plus a \$1 risk-free starter contract per day.
- Flexible Fixed Income Contracts - Plans start at \$100 with a two-day trial and scale to over \$10,000 for an enterprise-level plan. Each contract clearly states the daily payout amount and total return at expiration.
- Zero Hidden Fees - With no installation, maintenance, or electricity, what investors see at checkout is what they earn - period.
- Multi-Asset Support - Deposit and withdraw with BTC, ETH, USDT (ERC-20 and TRC-20),

LTC, XRP, SOL, BCH, USDC, and more.

- Generous referral program - participants can earn up to \$50,000 in bonuses by inviting friends, family, and followers.
- 24/7 reliability - contracts run with 100% uptime, powered by renewable energy mining farms around the world, and supported by a 24/7 multilingual team to enable the best cloud mining.

Explore more real-time contracts in HJB MINER. Register to get \$100 bonus principal.

- [Sign up](#) – create an account and claim your \$100 bonus; join the best cloud mining platform.
- Choose a contract – select a plan that fits your budget and get the best cloud mining action.
- Earn money automatically – watch your daily payouts accumulate on your dashboard and withdraw them at any time.

Our mission is simple: to simplify complex proof-of-work mining into a single subscription, allowing anyone, anywhere to have a piece of the future of finance. With CloudMining™, you can earn passive crypto income with HJB MINER in just one click.

About HJB MINER Cloud Mining

HJB MINER is a leading large-scale ecological blockchain infrastructure cloud mining platform. The company operates more than 100 renewable energy mining sites in more than 90 countries, manages 28.3 EH/s of computing power and 566 MW of hosting capacity, and plans to reach 1 GW of its flagship platform by the end of 2026.

CloudMining™ provides one-stop cloud mining services and is trusted by 2.8 million users worldwide.
