Last 7 days to shop Fab Habitat's eco-conscious rugs, furniture, and homewares before sale ends 30 June, with free pickup available from Sydney store.

FURTHER 10% OFF WHEN YOU BUY 2 OR MORE

Sydney, New South Wales Jun 23, 2025 ([IssueWire.com](https://www.issuewire.com)) - Fab Habitat's **End of Year Sale (EOYS) 2025** is entering its final week, with just **7 days remaining until the sale concludes on 30 June 2025**. The event offers Australian customers access to a wide range of sustainable home and outdoor products, including [outdoor rugs](#), [doormats](#), [machine washable rugs](#), [kitchen mats](#), [cafe chairs](#), beds, furniture, and coffee tables. Last 7 days to shop Fab Habitat's eco-conscious rugs, furniture, and homewares before sale ends 30 June.

Fab Habitat continues to emphasize responsible sourcing and durable design, with products made from recycled **plastics, natural fibres, and FSC-certified wood**. The EOYS provides an opportunity to select eco-conscious homewares that meet both functional and aesthetic needs.

For added convenience, all online orders during the sale are eligible for **free pickup from Fab Habitat's Sydney store**, allowing customers quicker access to their purchases.

A spokesperson for Fab Habitat said, "As the sale enters its final days, we encourage customers to explore our collection of sustainable home essentials. The free Sydney store pickup option remains available, offering a flexible way to receive products ahead of the mid-year transition."

The sale concludes at 11:59 PM AEST on **30 June 2025**. Customers can view the full selection and pickup details at www.fabhabitat.com.au.

About Fab Habitat

Fab Habitat is an Australian brand dedicated to creating sustainable homewares. Its product range includes indoor and outdoor rugs, doormats, washable rugs, beds, and furniture crafted from recycled and natural materials. Fab Habitat partners with ethical suppliers to ensure quality and environmental responsibility.
