

Foodcare Unveils Smart Display Counters and Electronic Shelf Labels for Sweets & Bakery Shops

Noida, Uttar Pradesh Jun 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Foodcare, a trusted name in modern shop fitting solutions, is proud to introduce a dedicated range of [display counters](#) and [electronic shelf labels \(ESLs\)](#) exclusively designed for **sweets and bakery outlets**. This specialized setup aims to bring digital convenience, visual appeal, and operational ease to traditional confectionery environments.

In an industry where presentation and freshness are everything, Foodcare's [display counters](#) offer both functionality and aesthetics—ideal for showcasing sweets, cakes, pastries, and bakery items with elegance and hygiene in mind. Coupled with **electronic shelf labels**, sweet shop owners can now update prices, offers, and product information in real-time, without relying on manual tags.

“We understand the unique needs of mithai shops and bakeries,” at Foodcare. “Our counters preserve freshness, improve visual merchandising, and with Electronic shelf label, make pricing effortless and

professional.”

Product Highlights:

- **Hygienic, Temperature-Controlled Display Counters** – Engineered for Indian sweets, chocolates, and baked items with a strong visual appeal.
- **Real-Time Price Changes with Electronic shelf label** – Display accurate pricing and festive discounts instantly.
- **Custom Designs for Indian Sweet & Bakery Stores** – Modular counters designed to suit store layouts, footfall, and local preferences.
- **Low Maintenance, High Durability** – Built for daily use with easy-to-clean surfaces and long-lasting components.

From premium sweet boutiques to high-traffic bakery chains, Foodcare’s smart solutions are helping business owners modernize their shops without losing the charm of tradition.
